SURROUNDED BY MYSTERY!

A Great Mistake.

A recent discovery is that headache, dizziness, confusion of the mind, etc., are due to derangement of the nerve centers which supply the brain with nerve force; this indigestion, dyspepsia, neuralgia, pain in stomach, etc., arise from the derangement of the nerve centers supplying these organs with nervous force. This is likewise true of many diseases of the heart and lungs. The nerve system is like a telegraph system, as will be seen by the accompanying cut. The little white lines are the nerves which convey the nerves for a fraction of a second, from one part of the body, just as the electric current is conveyed along the telephone wires to carry the voice, large or small. Ordinary physicians fail to regard this fact, instead of treating the nervous system for the disease arising from the brain, they treat the part affected.

Franklin Miles, M. D., LL. B., the highly celebrated specialist and student of personal diseases and author of many medical works, on the subject, long since realized the truth of his statement, and his Restorative Nervine is prepared on that principle. His success in curing diseases arising from derangement of the nervous system is wonderful, as the thousands of interested testimonials in possession of the company manufacturing the remedy amply prove.

Dr. Miles' Restorative Nervine is a valuable remedy for all nervous diseases, such as rheumatism, sciatica, prostration, sleeplessness, etc., gout, hysteria, sexual debility, St. Vitus dance, epilepsy, etc. It is sold by all druggists on a positive guarantee, or send direct to the Dr. Miles Medicine Co., Elkhart, Ind., on receipt of price of four bottles, six bottles for six dollars, freight paid.

Restorative Nervine positively contains no opiate or dangerous drugs.
